

A young woman with vibrant pink hair styled in a long braid is smiling warmly at the camera. She is wearing a dark grey t-shirt and is seated at a workstation in what appears to be an electrical control room or laboratory. In the background, there are racks of electrical equipment with various wires and components. She is holding a red-handled screwdriver in her right hand. The overall atmosphere is professional and positive.

CARINTHIA

It's my life!

**GET STARTED AS AN
ELECTRICAL ENGINEER
IN CARINTHIA!**

ARE YOU A REAL LIVE WIRE? IN CARINTHIA, ELECTRICAL ENGINEERS FIND THE BALANCE THEY NEED!

In Carinthia, you are part of the bigger picture that shapes our lives - because without electronic devices as well as electronic and software-based systems, nothing is possible in our world. As the economy in Carinthia is particularly strong in the industries of the future and the region is considered Austria's "Silicon Valley", many exciting opportunities await you here.

You are an installer, fitter or mechanic? The electronics industry offers a large variety of job opportunities, whether it is telecommunications, high-tension current or communications engineering.

WORKING IN CARINTHIA – YOUR ADVANTAGES:

- Permanent employment contract
- Close-knit working environment
- Attractive monthly pay (depending on qualifications and experience)
- Five weeks paid leave
- Social insurance (health, accident, unemployment and pension insurance, automatically deducted from gross pay)
- Usually 14 monthly salaries
- Working in future-orientated industries in Austria's "Silicon Valley"
- Modern workplaces/equipment
- Opportunities for further training
- Personal and individual support from our Carinthian Agency so that you quickly feel at home in Carinthia

4 REASONS THAT SPEAK FOR CARINTHIA

Carinthia means you can live your life:
safely, securely, well-cared for, and with
an excellent life-work balance.

Life-Work Balance

Here we flip the classic work-life-balance: enjoying life and working go hand in hand in Carinthia – for a healthy life-work balance. Why? Because with our many lakes, mountains and forests, it's far too nice here to “just” work!

Located in the middle of Europe

From Carinthia there are good connections to anywhere in Europe and the rest of the world. Our next-door neighbours are Italy and Slovenia. This creates a blend of diverse cultures and traditions, cultivating an openness to new ideas.

Work that pays off

A good wage level and a lower cost of living than in many large cities ensure that work in Carinthia pays off – to enjoy your own life and to support your family. Families with children receive special financial relief.

International and future-focused

The economy in Carinthia is diverse and relies on future-focused and innovative sectors. That's why you'll find attractive jobs in many areas here and an international environment that is fun to work in.

Fast and easy – we accompany and support you:

- ☑ in obtaining the appropriate residence permit;
- ☑ in the translation or recognition of apprenticeship qualifications/training;
- ☑ when looking for accommodation;
- ☑ when choosing a new bank, a mobile phone provider or with other issues relating to daily life;
- ☑ and much more. We can chat with you about any questions you might have.

Get started at your new job in Carinthia – we'll take care of the rest!
